Our people, your success

- We might take orders, but we are not order takers. Superior employees can identify your obstacles and increase your revenue by implementing solutions that strengthen your bottom line.
- Our customer service associates have the right attitude to make your experience a positive, *superior* one.
- Superior employees are extensions of your team, broadening your borders with resource guides, marketing assistance, supply chain expertise, and more.
- Superior has spent over two decades meeting customers needs. We confidently commit our products, our people and our resources to help your business succeed.
- By definition, borders limit. Let us help you eliminate them.

Our products equal your success

Our inventory is deep and our product offering wide.

Superior represents every major player in the food service and supermarket division for equipment, janitorial/sanitation, sanitary maintenance, industrial packaging, and towel and tissue categories. We have what you want, we get what you can't and when you lack the expertise in a certain product category, count on us to bridge the gap.

Our resources, your success

Successful companies don't spring up overnight. What started as Superior Equipment & Supply Co. in 1984, has evolved into a leader in supermarket and food service equipment and supplies distribution. Superior's impressive delivery lead time and modern showroom makes your success possible. Our capacity for storing and transporting merchandise yields faster inventory turns and improved cash flow for you. So, when buying direct means buying too much, let Superior be your warehouse.
